Set Your Sights on the Introduction to Perspectives Workshop

Get a whole new perspective at the [Introduction to Perspectives Workshop](#), now being hosted on May 23 & 24 at the Pike Road Arts Center (944 Wallahatchie Rd)! Artist Charles Payne will guide participants as they learn and utilize different perspective techniques.

Learning perspective is an excellent opportunity to relearn seeing. Perspective uses different methods to create a scene with a feeling of depth and clarity of relationships between the objects in it. From 9 a.m. - 4 p.m. on May 23 & 24, artists will mainly practice Geometric Perspective (including 1, 2, and multi-point perspective), but will also touch on other topics: finding the vanishing point, Size Diminution

Perspective, Aerial Perspective, and other perspective methods. Artists will be provided with a booklet to help remember the lessons.

About the Artist: Charles D. Payne Jr. started his art career in the animation industry in 1984. Charles' experience centered on background design, a perspective-intensive job. Charles is a formally trained artist who graduated from MICA in Baltimore. He has shared his knowledge and experience teaching storyboarding and sketching at the Cogswell Polytechnical College in San Jose, California.

P.R.A.Y.E.R. Team Plans for Future, and They Need YOUR Help!

In 2023, the P.R.A.Y.E.R. Team (Pike Road Area Your Emergency Response) assisted over 500 Montgomery County families by supplementing healthy food options over the summer through the Summer Feeding Program. This year, they are hoping to reach even more families, and they need YOUR help to do it! You can get involved by:

- Making a monetary contribution! Donating to the Summer Feeding Program feeds the supply and operational costs of this growing initiative. The reach of this program would not be possible without these tax-deductible contributions. Without your tax-deductible donations, the reach of this program simply would not be possible. To make a monetary donation, please send checks made out to

Woodland Methodist Church with "Summer Feeding Program" in the memo line to 4428 Wallahatchie Rd OR [click here to donate online](#).

- Volunteering on distribution days! You can grab your friends, family, or neighbors to volunteer alongside you. Distribution days are the heart of this program, and you'll be able to see firsthand how impactful this program is for disadvantaged families.

One of the defining traits of the Town of Pike Road is how we care for one another. Thank you, Pike Road, for embodying the "Welcome Home!" spirit while serving local families!

Want to get involved? Have a question? Email Community Development Specialist Jennifer Grace Kendrick at jarnold@pikeroad.us.
